NACC inspects firebreak construction in Ubon Ratchathani

The Office of the National Anti-Corruption Commission of Region 3 (NACC Region 3), together with the NACC Ubon Ratchathani Office and the Public Sector Anti-Corruption Commission (PACC) Region 3, conducted a field visit to inspect firebreak construction and agricultural burning in Ubon Ratchathani Province.

On April 22, 2026, Mr. Supoj Sringammuang, Deputy Secretary-General of the NACC Region 3, assigned Mr. Yosakorn Sriklang, Director of the Anti-Corruption Coordination Group Region 3, and his team to collaborate with the PACC to conduct field inspections to monitor and prevent corruption regarding the construction of firebreaks and agricultural burning at the Ubon Ratchathani Provincial Disaster Prevention and Mitigation Office.

The team also visited the Buntharik-Yodmon Wildlife Sanctuary under Conservation Area Administration Office 9 (Ubon Ratchathani), Department of National Park, Wildlife and Plant Conservation, to monitor the construction of firebreaks and agricultural burning.

This is in accordance with the NACC measures to monitor and prevent corruption, adhering to the principles of honesty, fairness, professionalism, transparency, and accountability.
